our COLLECTION

MODULAR FURNITURE AND MINI KITCHEN

These are a great alternative to full-size furniture, with just a fraction of the installation effort. This solution is perfect for small spaces.

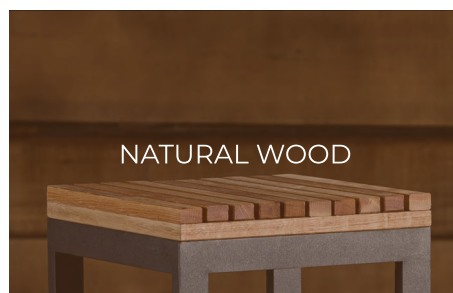

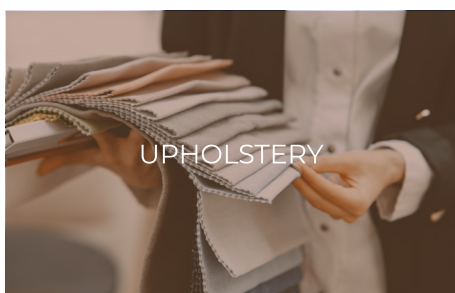

MINIMALIST AND INTELLIGENT DESIGN

Your furniture is delivered complete, fully equipped and ready for installation. Mini Kitchens consist of cabinets, countertops, plumbing fixtures (sink, faucet, siphon), selected appliances, lighting and all necessary assembly and installation equipment.

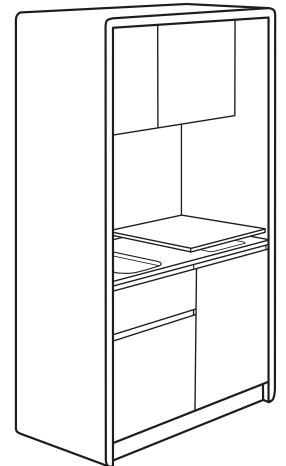

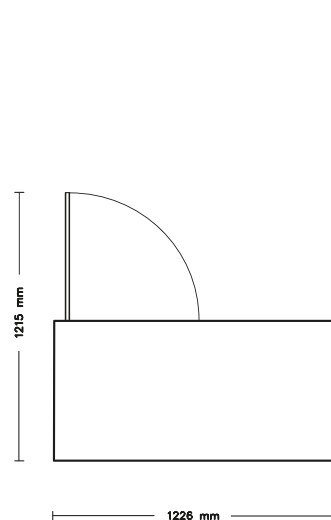

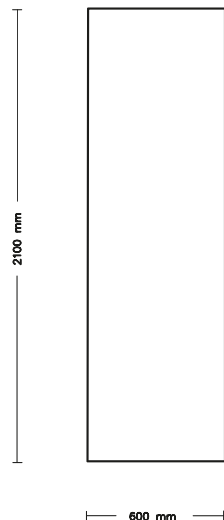

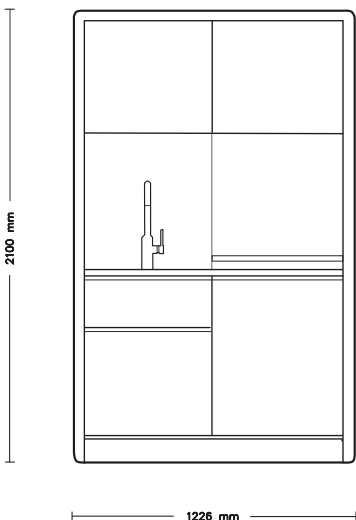

project implementation ON ANY SCALE

Accurate and consistent delivery times for 10 and 100 unit furniture sets. We offer a variety of contemporary furniture styles and a wide range of fronts, colors, handles and furnishing. This allows you to tailor your concepts to your needs and budget.

your ORDERS

LEAD TIME

Furniture production and delivery time is 5-6 weeks.

The production process for different furniture items varies, as do delivery time. Therefore, please inquire about the delivery time for specific pieces of furniture.

GUARANTEE

Our guarantee is valid for 2 years from the date of delivery and covers the replacement of defective parts. The guarantee covers defects in design, workmanship, functionality or materials that become apparent during start-up or normal use.

INSTALLATION

The furniture are assembled but some elements require the knowledge of a professional assembler.

DELIVERY

The furniture collection is delivered on secured and foil-wrapped pallets.

Furniture delivered directly to you

We sell and service our furniture wherever you need it. Smaller orders are available nationwide.
